MARYVILLE, MISSOURI, MONDAY, MARCH 6, 1911.

NO. 230.

BE HERE MARCH 23

AGRICULTURAL SPECIAL TRAIN
AT THAT TIME.

MEETING IN COURT HOUSE

In the Evening When Lectures Will
Be Delivered—Farmers Urged
to Attend.

The Missouri agricultural special train of five coaches will arrive in Maryville on Wednesday, March 8, and will remain for about an hour. They will leave the city over the Wabash going west.

Charles D. Bellows received this morning a letter from Dean F. B. Mumford of the university that the special train will again stop in Maryville on the evening of March 23. The letter of Mr. Mumford to Mr. Bellows is as follows:

"The University of Missouri agricultural special train on the Wabash railroad will stop in Maryville on the night of March 23. It is our purpose to hold an evening meeting at Maryville. I request that you secure for us if possible the use of the court house, and give the matter such local publicity as may seem to you desirable."

The Commercial club will take the matter of entertaining the gentlemen on the special train and arranging for the meeting. The court house will be secured by the club.

With this special train will be found a number of lecturers and special men from the agricultural department and experiment station at Columbia, who will explain to all visitors, most especially farmers, the exhibits they will carry and any matters regarding agriculture that may be brought before them.

On this train will be found the great Missouri Chief Josephine, the world's champion cow for eleven months, who fell but a paltry 600 pounds short of the world's twelve month record. This wonderful cow, that produced about fourteen tons of milk in one year, is being exhibited throughout the state for the purpose of showing what can be done with a cow when properly cared for and scientifically fed and looked after.

Entertained "Twelfth Night" Company.

The entire cast of "Twelfth Night," the play to be given by the Normal Dramatic club this spring at the Empire theater, met at the home of Prof. Frank Zimmerer Saturday afternoon for a rehearsal of the entire play. After an afternoon of strenuous rehearsing, Mr. Zimmerer concocted one of his famous dinners and invited everyone to remain. It is needless to say that no one refused. After dinner all remained for an evening of merriment. Songs, stories and various other capers still unknown to outsiders made up the program of the evening. Mr. Lona Perrin rivaled the Hon. Wm. Shakespeare himself in the number and sparkling wit of the puns which he hurled at those around him during the evening. Mr. Edwin Goodspeed charmed everyone when he gave an excellent impersonation of one of Maryville's musicians singing the song "Beautiful Garden of Roses."

The merry-making over, the company disbanded at what was for them, a very reasonable hour. Those present were: Mr. Frank J. Zimmerer, host; Misses Olive Randall, Theodosia Raines, Alice Ray, Bessie Cox, Messrs. Lona Perrin, Edwin Goodspeed, Fred Lewis, Roy McGrew, Frank Miller, Frank McKee, Willard Smith, Hubert Garrett, Elmore Frank and John Rush of Clearmont.

The company included Messrs. Sherman Jones, William Clay, Charles Pollett, Lee Adams, Henry Anderson, Fred Durbin, James Ward, John Burks, Miles Adams, L. E. The training school basketball team came back with a vengeance Friday afternoon in a game with the high school aggregation which defeated them last Wednesday afternoon. The training school team won Friday's game with a 48 to 14 score. The lineup of the teams was:

Training school—Cabbage and C. Miller, forwards; Darling, center; Womack and I. Miller, guards.

High school—Taylor and Growney, forwards; Condon and Holmes, centers; Condon and Cummings, guards.

The championship pennant won by the high school team in the City league basketball tournament this winter has arrived and is on display in the Bee Hive window. The pennant is six feet long, made of the high school colors, red and white, and has on it the names of the players on the high school team, a basketball with the high school emblem on it, and the words "Champions of Maryville."

COURT ADJOURNED

TO THURSDAY AFTER TAKING UP
SEVERAL INDICTMENTS.

JUDGE PEERY TO BE HERE

On That Date to Try Several Cases—
Twenty Indictments Against
Clemmens of Clearmont.

Circuit court adjourned Saturday afternoon to meet again Thursday. The court took up Saturday afternoon several of the indictments that were returned by the grand jury last week.

Charles Conklin, on a charge of robbery in the first degree, appeared in court Saturday afternoon and waived formal arraignment and pleaded not guilty. Conklin was arrested Friday in the city.

Fred Bailey, who was indicted by the grand jury for gaming, appeared in court and pleaded guilty and was fined \$25 and costs.

Sam Taylor, also on a charge of gaming, pleaded guilty and was fined \$25 and costs.

The indictments against Frank McClain were on a charge of grand larceny and obtaining property under false pretenses; he pleaded not guilty and bail for \$500 was given.

Twenty indictments were returned by the grand jury against Walter Clemmens, the proprietor of the pool hall at Clearmont, on a charge of permitting minors to play without consent of their parents, guardian or master. He will probably appear in court Thursday.

Another indictment for gaming was returned against Fred Green and Jim Mulholland.

Charles Smith, who was arrested as being one of the parties that stole the William Muzingo hog last week and helped to butcher it, appeared in court Saturday afternoon and waived formal arraignment and pleaded guilty. The court passed sentence upon Smith at two years in the penitentiary. On the application of Smith and for good cause shown, the court paroled Smith on condition that he give bond for \$500, and to appear in court on the first day of each term until discharged. Smith had not been able to give bond up to Monday afternoon. George Bragg, who was also connected with the stealing of the hog, has not been arrested.

When court is called Thursday morning Judge Ellison will take up the rest of the indictments. Judge Woodson Peery of Albany will sit as special judge in several cases that are set for Thursday. The cases are W. H. Riffe vs. Mary K. Riffe, to set aside a deed; Elizabeth Growney vs. P. T. O'Donnell and J. J. O'Donnell, to set aside a deed and the Conception Creamery cases.

The funeral services will be held Tuesday morning at 10 o'clock at the home of her parents, Mr. and Mrs. Joseph V. Parrish in Skidmore. The services will be conducted by Rev. Sauteman and Rev. W. H. Welton, the pastors of the two M. E. churches at that place. Burial will take place in the Masonic cemetery at Skidmore. Parrish, Mrs. Grace Lyle, all of Skidmore, and Mrs. Martha Gill of Sheridan, Wyo. Miss Parrish was 26 years old the 19th day of October.

FAREWELL FOR THEODOSIA RAINES

Miss Theodosia Raines was given a general farewell by the faculty and students in Normal chapel Monday morning. Dr. Taylor spoke of the excellent work she has done since being placed at the head of the English department, and of the kind and generous way in which she has helped those around her. He then presented her with a beautiful gold watch as a token of esteem from the school.

In reply Miss Raines said that she loved her work here and hoped to be able to return soon. Led by Prof. Landon, all present gave three rousing cheers for her.

Miss Raines will leave the Normal after Monday. Her successor, Mr. Swinehart from Ohio, is expected to arrive Tuesday morning.

TO BUY \$400 WORTH OF BOOKS FOR LIBRARY

Miss Grace Langan, city librarian, reports busy times since the installment of the 163 new books last week. Her monthly report to the library board, which met Thursday night, shows a good increase in patronage.

The board at its meeting Thursday night voted to order the latest edition of the Encyclopedia Britannica at a cost of \$450 per volume. The library committee, composed of Prof. C. A. Hawkins, George Robb Ellison and Rev. Fr. Niemann, was authorized to compile a list of books of research that the board will act upon at a future meeting. It was decided to use about \$375 for the purchase of books of this character, which are greatly needed, because of the constant demand for them.

MRS. GRIFFIN DEAD

PASSED AWAY AT KANSAS CITY,
KAN., SATURDAY.

BURIED IN MARYVILLE

Monday, Services Being Conducted by
Dr. Luce—Recalls the Tragic
Death of Her Husband.

Mrs. Rose Griffin, widow of Editor Frank Griffin of Griffin's Daily Review, who was shot down at Main and Third streets, April 8, 1899, by the late Caleb G. Jesse, died at 1:45 o'clock Saturday morning at the home of her daughter, Mrs. W. A. Friel, at 616 South Seventh street, Kansas City, Kan.

The body was brought to Maryville Monday noon, and taken at once to Midland cemetery for burial by the side of the husband. The services were conducted by Rev. Dr. Charles P. Luce of the First Presbyterian church. Those acting as pallbearers were John K. Sawyers, Roy Curfman, Fred Kurtz, D. E. Hotchkin, Charles Wadley and John Dempsey.

Accompanying the body of Mrs. Griffin to Maryville were her three daughters, Mrs. W. A. Friel and Mr. Friel of Kansas City, Kan.; Mrs. C. R. Miller and Mrs. Lula Baker of Kansas City.

Mrs. Griffin had been an invalid from paralysis the past fourteen months, having suffered three strokes in that time, but was confined to her bed only the past four weeks.

She was born sixty years ago October 20, at Rochester, N. Y. When quite a young girl her parents moved to Omaha, where she was married to Frank Griffin. They removed from there to Dunlap, Ia., where Mr. Griffin engaged in the practice of law a few years, when they moved to Maryville. At the time of his death, April 8, 1899, they had been residents of Maryville twenty-one years. Seven children were born to them. Claud, Harry, Maude and Blanche died before they moved to Maryville. The other children are Mrs. W. A. Friel of Kansas City, Kan.; Mrs. C. R. Miller and Mrs. Lula Baker of Kansas City.

Mrs. Griffin united with the Presbyterian church of Maryville twenty-five years ago. She was one of the most conscientious and earnest Christian workers in the church, and was a most devoted wife and mother.

The death of Mrs. Griffin recalls the tragic death of her husband, Col. Frank Griffin, editor and publisher of Griffin's Daily Review, who was shot April 8, 1899, while passing along the sidewalk at Signs & Son's clothing store, at Main and Third streets, by Caleb G. Jesse, who was in the drug business in Maryville at that time. The bullets took immediate effect, but Griffin turned upon his assailant and grappled with him, and a hand-to-hand struggle ensued for a few minutes. Finally Jesse succeeded in firing another shot or two and Griffin, though a powerful man physically, was not able to cope with his adversary longer on account of the loss of blood. They were separated by bystanders and Griffin got up and got into a vehicle and was taken home. He died at 6 o'clock that evening.

Jesse was immediately arrested by Sheriff W. H. Collins and taken to jail. He was tried in October, 1899, and was sentenced to two years in the penitentiary. Jesse died during the past year in Texas.

The supposed cause of Jesse's attack was an item in Griffin's Review of April 6, just two days before the tragedy, which stated that Jesse had concluded to start a joint in the room on South Main street, which had just been vacated by Ed Otis.

JUDGE DAVIS TO BE HERE MARCH 22

Judge Arch Davis of Chillicothe will come to Maryville March 22 to sit as special judge in a number of paying cases that will be tried.

Mr. and Mrs. J. T. Vail of West Second street went to Kansas City Monday.

CO-OPERATIVE WORK OF PARENTS AND TEACHERS

A reporter of The Democrat-Forum called on Superintendent Hawkins of our city's public schools at his home to get from him a more complete statement of the co-operative work of parents and teachers as it was outlined by him at the parents' meeting in the high school auditorium last Friday afternoon.

The superintendent said that while many things from time to time would receive the attention of these workers for the betterment of the schools, the home and the city, the appeal that should receive immediate response on the part of the mothers was for a suitably furnished and well equipped emergency room in the Central or high school building.

Approximately six hundred pupils attend this school, in which accidents and sickness are a daily occurrence. Not only the common comforts of life, but economy as well would be served by such a room.

With this convenience the minor troubles from illness and accidents could be cared for with little loss from school work. Besides, this would, as it should, make the school seem more like home.

The superintendent feels that this particular phase of co-operation will appeal to the mothers, always sympathetic, and appreciative of everything included in the word home, and confidently hopes for their assistance and support.

MEETING AT RAVEN- WOOD WAS A SUCCESS

The teachers and patrons' meeting held at Ravenwood Saturday was one of the most successful meetings yet held in the county. There were only three teachers out of thirty-one in Jackson and Independence townships that were not present at the meeting.

President Taylor of the Normal and County Superintendent Gakerson delivered able addresses at the meeting.

ATTACHMENT SUIT IN CIRCUIT COURT

An attachment suit was filed Monday by Cook, Cummins & Dawson for Fred C. Wyman against Edward Minnerly. The petition alleges that the two men were partners in a general merchandise store at Skidmore the year before June, 1906, and on that date the partnership was dissolved, owing about \$1,000 wholesale debts. The defendant claimed that he was insolvent then, and made arrangements with the plaintiff to pay off the \$1,000 worth of claims. The defendant, according to the petition, has failed to pay the plaintiff back his half, or \$500, and the plaintiff asks for this amount with 6 per cent interest.

EXPECT A LONG EXTRA SESSION

Congress May Be in Washington Till Next December.

TAFT DEFIED PARTY LEADERS

Tariff Question Is Sure to Cause a Stubborn Fight and Members Will Return to the Capital Prepared to Stay for Indefinite Period.

Washington, March 6.—A prolonged and stubborn contest over tariff revision and other legislation at the extra session of congress called by President Taft is predicted by leaders of both parties. The belief at the capitol was that the session, which will begin April 4, will continue through the summer and possibly until the first Monday of next December, when the Sixty-second congress will have assembled in regular session under the constitution. Members left for their homes for the purpose of arranging their personal affairs for an indefinite period in Washington.

Republican senators and representatives declined to comment upon the action of the president. Attention was called to the fact that President Taft is the only president who has called an extra session in defiance of the protests of every leader of his party in and out of congress.

"We will immediately begin a revision of the tariff schedules downward," declared Representative Underwood, chairman of the ways and means committee. "I believe that President Taft's reciprocity scheme will prevail, but it will not be the first thing on the calendar."

REIGN OF TERROR IN HAITI

Military Arrests Continue and Hospitals Are Filled.

Cape Haitien, Haiti, March 6.—This city is experiencing a reign of terror approaching that of 1908, when citizens suspected of disloyalty to President Alexis were taken from their homes at night and shot.

Arrests by the military continue and the prisons are filled. The frightened peasants no longer come to town with food supplies and a famine is threatened. The hospitals are filled with soldiers, ill and dying from starvation. Only the military authorities and foreigners are permitted on the streets.

PEOPLE TO PAY COURT COSTS

Popular Subscription for Mayor and Aldermen in Kansas Town.

Clay Center, Kan., March 6.—The \$27.69 costs of the contempt case of Mayor Hanna and the Clay Center aldermen, which the United States supreme court recently ordered the men to pay, will be raised by popular subscription. No one will be permitted to give more than a dime. The municipal officers last November cut down electric light poles here before a decision of the supreme court against the company had stood the necessary thirty days to become effective.

Sheep Camp Raiders Identified.

Cheyenne, Wyo., March 6.—Joe Le fore, the sheepmen's detective, has returned to Cheyenne from Sheridan and Johnson counties for a brief visit with his family. He states that the identity of every one of the principals in the recent raids near Advada and on Crazy Woman creek are known, that two of the cattlemen confessed and gave full details regarding the crimes, and in due time the cattlemen will be arrested.

Former Slave Dies, Aged 104.

Seattle, Wash., March 6.—Mrs. Mary Wray, who was born a slave in Virginia in February, 1807, died here in her 104th year. In her childhood she was sold to John Lovell of Nashville, Tenn., on whose plantation she lived until the close of the civil war. She helped to cut and haul ties for the first railroad built into Nashville. She leaves two children, aged eighty-two and eighty-eight, in Nashville.

Pacific Fleet to Sail for Hawaii.

Washington, March 6.—The entire Pacific fleet, which has been maneuvering off the coast of California during the winter, is to proceed to the Hawaiian islands at once, it is announced, to carry out plans for a demonstration to ascertain where successful attack might be made on the Hawaiian coast.

Woman Freed by Coroner's Jury.

Centralia, Ill., March 6.—A coroner's jury exonerated Mrs. Annie McGreavy for killing her husband at Central City, deciding that the act was in self defense. The woman testified she shot her husband after he had attacked her and her daughter with a milk bottle.

Mrs. Schuyler Colfax Dead.

South Bend, Ind., March 6.—Mrs. Ellen Wade Colfax, seventy-three years old, widow of Vice President Schuyler Colfax, died here after an illness of several months.

Old Football Injuries Fatal.

Helena, Mont., March 6.—Walter Smith is dead at Fridley as the result of injuries received in a football contest between the Montana and Utah agricultural colleges a year ago.

BARON PATERNO APPEARS INSANE

Slayer of Princess Trigona is Acting Strangely.

DEFENSE WILL BE SUICIDE.

Sorrowing Crowds Weep as Victim's Body Passes Through Streets of Palermo—Murderer Now Believed to Be Entirely Out of Danger.

Rome, March 6.—Baron Vincenzo Paterno, who will have to stand trial for the murder of Princess Trigona di Sant'Elia, has been acting strangely for twenty-four hours. The attending physicians give it as their opinion, however, that he is simulating insanity. At times he appears sane enough but when interrogated pretends unconsciousness, particularly if the question is one having any connection with the crime. Now and then he mutters as though in a delirium. Occasionally he exclaims: "The knife! The knife! I must capture it! She has taken it! She has wounded herself!"

This seems to be Paterno's fixed formula, varied with other exclamations, such as "Blood! Help!"

According to the physicians, Paterno has had his own defense in mind and doubtless will declare that Princess Trigona committed suicide. The authorities consider such a statement absurd in view of the fact that the princess, in addition to having a stab wound in the neck, received a wound in the back, which in itself would have proved fatal.

The body of the murdered princess arrived at Palermo. Great crowds lined the streets and displayed the utmost sympathy. Many of the women spectators wept.

It is probable that an operation will be performed on Paterno later. His physical condition is improving steadily and he is believed now to be entirely out of danger from his wound.

The people are loud in their denunciation of the man because of the martyrdom he is alleged to have made his victim suffer before the murder.

REV. AKED IS DISAPPOINTED

Leaves Fifth Avenue Church for San Francisco Pastorate.

New York, March 6.—Frankly stating the disappointment he had experienced in his ministry to the wealthy congregation of the Fifth Avenue Baptist church, Rev. Charles F. Aked formally announced from his pulpit that he had received an unanimous and enthusiastic call to the First Congregational church of San Francisco and said he had been unable to find any good reason why he should not accept.

He regretfully acknowledged his fears that the great enterprises which he had hoped to lead as pastor of one of the wealthiest churches in America, popularly known as the John D. Rockefeller church, were only "such stuff as dreams are made of."

Notwithstanding the \$10,000 salary offered him when he came here from Pembroke chapel, in Liverpool, England, four years ago, and the recent increase to \$12,000, or his ties of friendship in the metropolis, he did not see how he could contemplate a permanent ministry here under present conditions. He chafed under the failure of the church to provide a larger edifice and to undertake larger enterprises.

CROWDS GREET LORIMER

William H. Thompson, Chairman of Reception Committee.

Chicago, March 6.—Admirers of Senator William Lorimer to the number of several thousand greeted him here upon his return from Washington. Two hundred and fifty automobiles, forming a parade with two bands, escorted the senator from the station to his residence, where an enthusiastic reception followed.

William Hale Thompson was chairman of the reception committee. The parade was formed at the station and the 250 machines jammed their way down Jackson boulevard to Garfield park, where Senator Lorimer was greeted by 200 members of the Letter Carriers' association. Both sides of the park highway were lined with women and children on stands and they showered Lorimer with flowers.

Farmers Attention

You will need some implements this spring, and we are in a position to supply you better than ever, because all of our goods are brand new, right from the factory for 1911. We have Kingman, Oliver and Pattee goods. None better in the land. Pattee Cultivators, the New Departure line. We have this favorite Cultivator in six different styles. We let the farmer be the judge on these Cultivators. The Pattee Plow Company of Monmouth, Ill. (in the corn belt of the world), makes nothing but Cultivators, therefore doesn't it stand to reason that they would build better Cultivators than the factories that build everything from a double-shovel to an automobile? You never heard of any Pattee automobiles yet. When you do it will be an automoto-cultivator. Come in and see for yourself.

Superior Grain Drills, best by test. Full line of Kingman good Gang Plows, Corn Planters, Etc.
Oliver Plows, gangs and sulkies. None better.

When you are in need of an implement and want the best, come and see, or take ours out and give it a trial and you be the judge.

**"Knocked Daylights
Out of Rheumatism"**

New Rheumatism Remedy Is Antidote For Uric Acid.

"By thunder, I got a whole case—a dozen bottles of the 'Fuss' Rheumatism Cure, determined to get cured of my 3-year case of bull-dog

inflammatory rheumatism. I didn't need the dozen, you bet you—three bottles knocked the daylight right out of it and cured me completely. The other nine bottles I gave to rheumatic friends, and they are hopping around pretty lively now, same as I am. 'Fuss' is a wonder."

This is but one of hundreds of similar reports on this amazing remedy, the only known antidote to uric acid. Furthermore, it is as safe as food, containing no chloral, opium, morphine, cocaine, alcohol, ether, chloroform or other stimulant or narcotic; not a drop. "Fuss" gives immediate relief, and destroys uric acid in the blood which causes rheumatism, gout, lumbago and kidney trouble.

Don't hesitate but get "Fuss" and stop the agony right off and get cured.

"Fuss" Rheumatism Cure sold at \$1.00 a bottle by all leading druggists or will be sent prepaid on receipt of \$1.00 or 10 bottles for \$10.00, by the Fuss Remedy Co., Flint, Mich.

**CONDEMNED MAN
STAYED IN JAIL**

Eugene Tucker, to Be Hanged at Springfield, Refused to Escape.

SHERIFF'S WIFE GAVE ALARM.

Fellow Prisoners Pleaded With Condemned Man to Go With Them When the Way Was Clear, but He Declined. Police Recapture Both Men.

Springfield, Mo., March 6.—Although he is under sentence of death, to be hanged this month, Eugene Tucker, convicted of murder, refused the opportunity to escape from the Greene county jail.

G. E. Warner and Charles Farris, who planned the jail delivery and escaped, were recaptured within an hour by police. Several shots were fired before the men were taken.

Warner and Farris had carefully planned their escape, but they overlooked one very important point—the telephones in the jail. When H. B. Iglar, the deputy sheriff, entered the cellroom to have some trash removed, Farris grabbed him around the arms and held him while Warner removed the officer's revolver from its holster. They then took the jail keys.

"Come on, Tuck, let's get out of here," Warner said, going to Tucker's cell. Tucker refused to escape, although the two men waited to plead with him for several minutes. Following Tucker's refusal to leave, Warner and Farris locked all the doors in the front part of the jail and walked out.

Mrs. Freeman, wife of Sheriff W. E. Freeman, telephoned a general alarm to all the police stations in the city and soon every officer in Springfield was on the watch for the escaping men. Warner and Farris were overtaken in a pasture in the northeast part of the city, but refused to stop when Chief Hunter commanded them to halt. Warner ran, shooting five times as he ran. He soon stopped when the officers returned the fire, and both men were taken back to jail.

TO HEAD MISSOURI PACIFIC

Howard Elliott Decides to Accept Presidency of Road.

Chicago, March 6.—Howard Elliott, president of the Northern Pacific railway, has decided definitely to accept the presidency of the Missouri Pacific, succeeding George J. Gould, according to reports in Chicago railroad circles. Mr. Elliott is known to have had an offer from the new interests in control of the road under consideration for some time, and it is understood he will be elected at the annual meeting in St. Louis on March 14.

Mr. Gould will become chairman of the board of directors, according to previous official announcements, and several changes will be made in the directorate, increasing the representation of the Kahn-Loeb syndicate.

CHAMP CLARK WAS ELOQUENT

Praises for Missouri by the Next Speaker of the House.

Washington, March 6.—Champ Clark, speaker-to-be, was the guest of honor at the annual dinner of the Missouri society of Washington. He was enthusiastically cheered when he rose to speak and invoked laughter when he spoke of the change that a few hours could bring.

"Why, it seems only a few minutes ago," Mr. Clark said, "when someone threatened to throw a brick at my venerable predecessor in the house."

Mr. Clark praised the Missouri delegation in congress and paid tribute to the men of national fame from Missouri.

"I'm proud to represent Missouri," Mr. Clark said. "Though I was born in Kentucky, I went to Missouri as fast as I could and I intend to stay there as long as I can."

Lost Child Found Frozen.

Springfield, Mo., March 6.—Lying in a clump of bushes less than ten yards from the roadway, the frozen body of the two-and-a-half-year-old child of Mrs. Melvina Collins, a widow, residing on a farm three miles west of Tedrick, was found by a party of neighbors. The child strayed away from some playmates Friday.

Killed in a St. Joseph Runaway.

St. Joseph, Mo., March 6.—Albert Foster, a packing house workman, was killed when a runaway team struck a telephone pole near which he was standing in South St. Joseph. O. L. Shields, a fellow workman, who was with Foster, was probably fatally injured. Foster's home was in Iowa City.

Seven Killed by Boiler Explosion.

Lexington, Ky., March 6.—Three children and a man were killed and six other persons were injured when a boiler at the Blackburn-Gambill distillery, on Howard's creek, exploded. Children were playing about the distillery.

**MINNEAPOLIS HAS
\$1,000,000 FIRE**

Flames Destroy Business Block in Heart of Mill City.

TWELVE RESCUED BY FIREMEN.

Damages Divided Among Tenants. Covered by Insurance—Origin of Fire Is Unknown—Department Has Hard Fight.

Minneapolis, March 6.—One of the most disastrous fires this city has ever known destroyed the Syndicate block, on Nicollet avenue between Fifth and Sixth streets. The total loss is estimated at \$1,000,000 and it is possible that two lives were lost, although this has not as yet been definitely determined.

Twelve persons were rescued from the upper stories of the building while the flames were roaring around them. Some of these sustained slight injuries, but none was seriously hurt.

The origin of the fire is unknown. The alarm was given by some passers-by on Nicollet avenue who saw the flames bursting out of the second story window. But before the firemen arrived the tenants of the building, who were asleep in the upper rooms, began to appear at the windows, calling frantically for aid.

A strong southeast wind was blowing and in a very few minutes the west half of the building was a roaring furnace. The entire fire department of Minneapolis was called out, but it was totally inadequate to check the flames. Later a call was sent to St. Paul for help and this was immediately furnished.

Firemen to the Rescue.

The instant the fire department arrived men were rushed into the building where the entrances were not already choked with flames and numerous ladders were hastily extended to aid the people who were hemmed in by the fire on the second and third floors.

The members of the Franzen family, finding all exits by stairs and front windows cut off, made for the fire escape on the alley side of the building. Mr. Franzen leaped to the fire escape through a blast of wind-driven flames past the window, his only escape. Holding to the hot iron of the fire escape, he aided his mother to climb through the window and step upon the platform beside him.

As soon as her hands touched the rails Mrs. Franzen uttered a shriek and would have fallen to the ground had not Fireman Caldwell leaped to her rescue from a ladder perched against the New England building, which adjoins the Syndicate building. Caldwell made a leap of fully ten feet and took a chance of falling to the pavement, forty feet below, if he missed the fire escape. Fortunately, he struck it right and reached Mrs. Franzen's side not a second too soon.

He assisted her to the ground, while Elmer Franzen followed, shouting, "There are two women back there in the flames. I saw them fall." The firemen made every effort to break in to the building at this place, but the heat was too great and they were repulsed. The firemen had little difficulty in rescuing persons on the second and fifth floors. Twelve in all were taken out by the firemen.

ADMITS FLOGGING IN PRISON

Deputy Warden Tells of Convict to Whom Lash Was Applied.

Marquette, Mich., March 6.—Testifying before an investigating committee of the state legislature, Deputy Warden Catlin of the state prison here said:

"We flogged convict Stevens twenty-six times. I told him he would get another flogging tomorrow, and he was sent back to the shop with ball and chain. The next day, when we went to his cell to bring him down for punishment, he had foolishly cut his wrist."

In reply to a question as to what is the longest time a convict at Marquette prison had ever been strung up, Deputy Catlin said: "Fourteen days."

DAKOTA SOLONS ADJOURN

Much Business Transacted, Though but Little of Great Importance.

Pierre, S. D., March 6.—The legislative crowd rushed for the railway stations as soon as they had taken their last vote on the general appropriation bill. With its going went the first absolutely leaderless body which has ever met in this state. There was no spokesman of the administration with a backing to push through certain measures; there was no party or factional following which could be depended upon to follow any leader, and while that was one of the methods of showing independence of "boss rule," at the same time it did not tend toward a rushing of business.

Kansas Hangs Herself.

Valley Center, Kan., March 6.—Mrs. Minnie S. Davidson, forty-seven years old, was found dead in the door of an outbuilding near her home. A scarf was hanging from a rafter and her throat bore the marks of its pressure. It is believed that she hanged herself with a scarf and that after she was dead it became untied, allowing her to fall to the floor.

**SAGE FOR DARKENING THE
HAIR.**

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderfully beneficial effect.

Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product. Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

IN TWO MINUTES.

Easy and Quickest Way to Break Up a Cold.

If you want instant relief from cold in the head or chest, or from acute catarrh, try this:

Into a bowl of boiling hot water pour a teaspoonful of Hyomei (pronounce it High-o-me), hold your head over the bowl and cover head and bowl with towel. Then breathe the pleasant, penetrating, antiseptic vapor deep into the lungs, over the sore, raw, tender membrane, and most gratifying relief will come in a few minutes.

Druggists everywhere will sell a bottle of Hyomei for 50 cents. Ask for extra bottle Hyomei Inhalant. Don't be stubborn. Don't be prejudiced. There is not a particle of morphine, cocaine, or any injurious or habit forming drug in Hyomei.

Give it a trial at the Orear-Henry's risk. They guarantee it. It is made of eucalyptus and other grand antiseptics. It will chase away the misery of catarrh or any affliction of the nose and throat in a few minutes.

You can get a trial sample free by writing Booth's Hyomei Co., Buffalo, N. Y.

Children All Here.

Smith of New Bedford, Mass., arrived in Maryville Friday. Two other sons and their wives are here from St. Joseph—O. E. and Fred Smith. Mrs. Smith's children and grandchildren are all with her. The Hewett Vaudeville company arrived in the city Monday and will appear at the Empire theater this evening.

PAIN

Pain in the head—pain anywhere, has its cause. Pain in congestion, pain in blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful, gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's a painful period with women, same cause. If you are restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure. Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense. We sell at 20 cents, and cheerfully recommend

Dr. Shoop's Headache Tablets
